Champagne Guy Charlemagne

Vineyards size

37 acres

Farming

The vineyards are about 42 years old, everything is handpicked at Maison Guy Charlemagne.
87% is Chardonnay, the rest is Pinot Noir

History

Located in the village of Mesnil-sur-Oger, growers since 1892, they only harvest and vinify their own parcels.
The main part of the vineyard is located on the Côte-des-Blancs, between Mesnil-sur-Oger and Oger.

The top value of the domaine

By doing special cuvées like the Mesnillésime for which the wine has been raised in oak barrel, a zero dosage Brut and a Grand Cru Blanc de Blancs, this Maison is a reference !

A few words

A family domaine, where everything is handpicked and the wines are raised slowly for a perfect prise de mousse !

Made with a lot finesse, with well balanced aromas, the Champagnes from Charlemagne are a great value very well rated in the tastings.
